# Problems

## Inflations

Traditional bank interest can't keep up with inflation

## Saving complexity

Most users feel lost and unsure which platform to trust

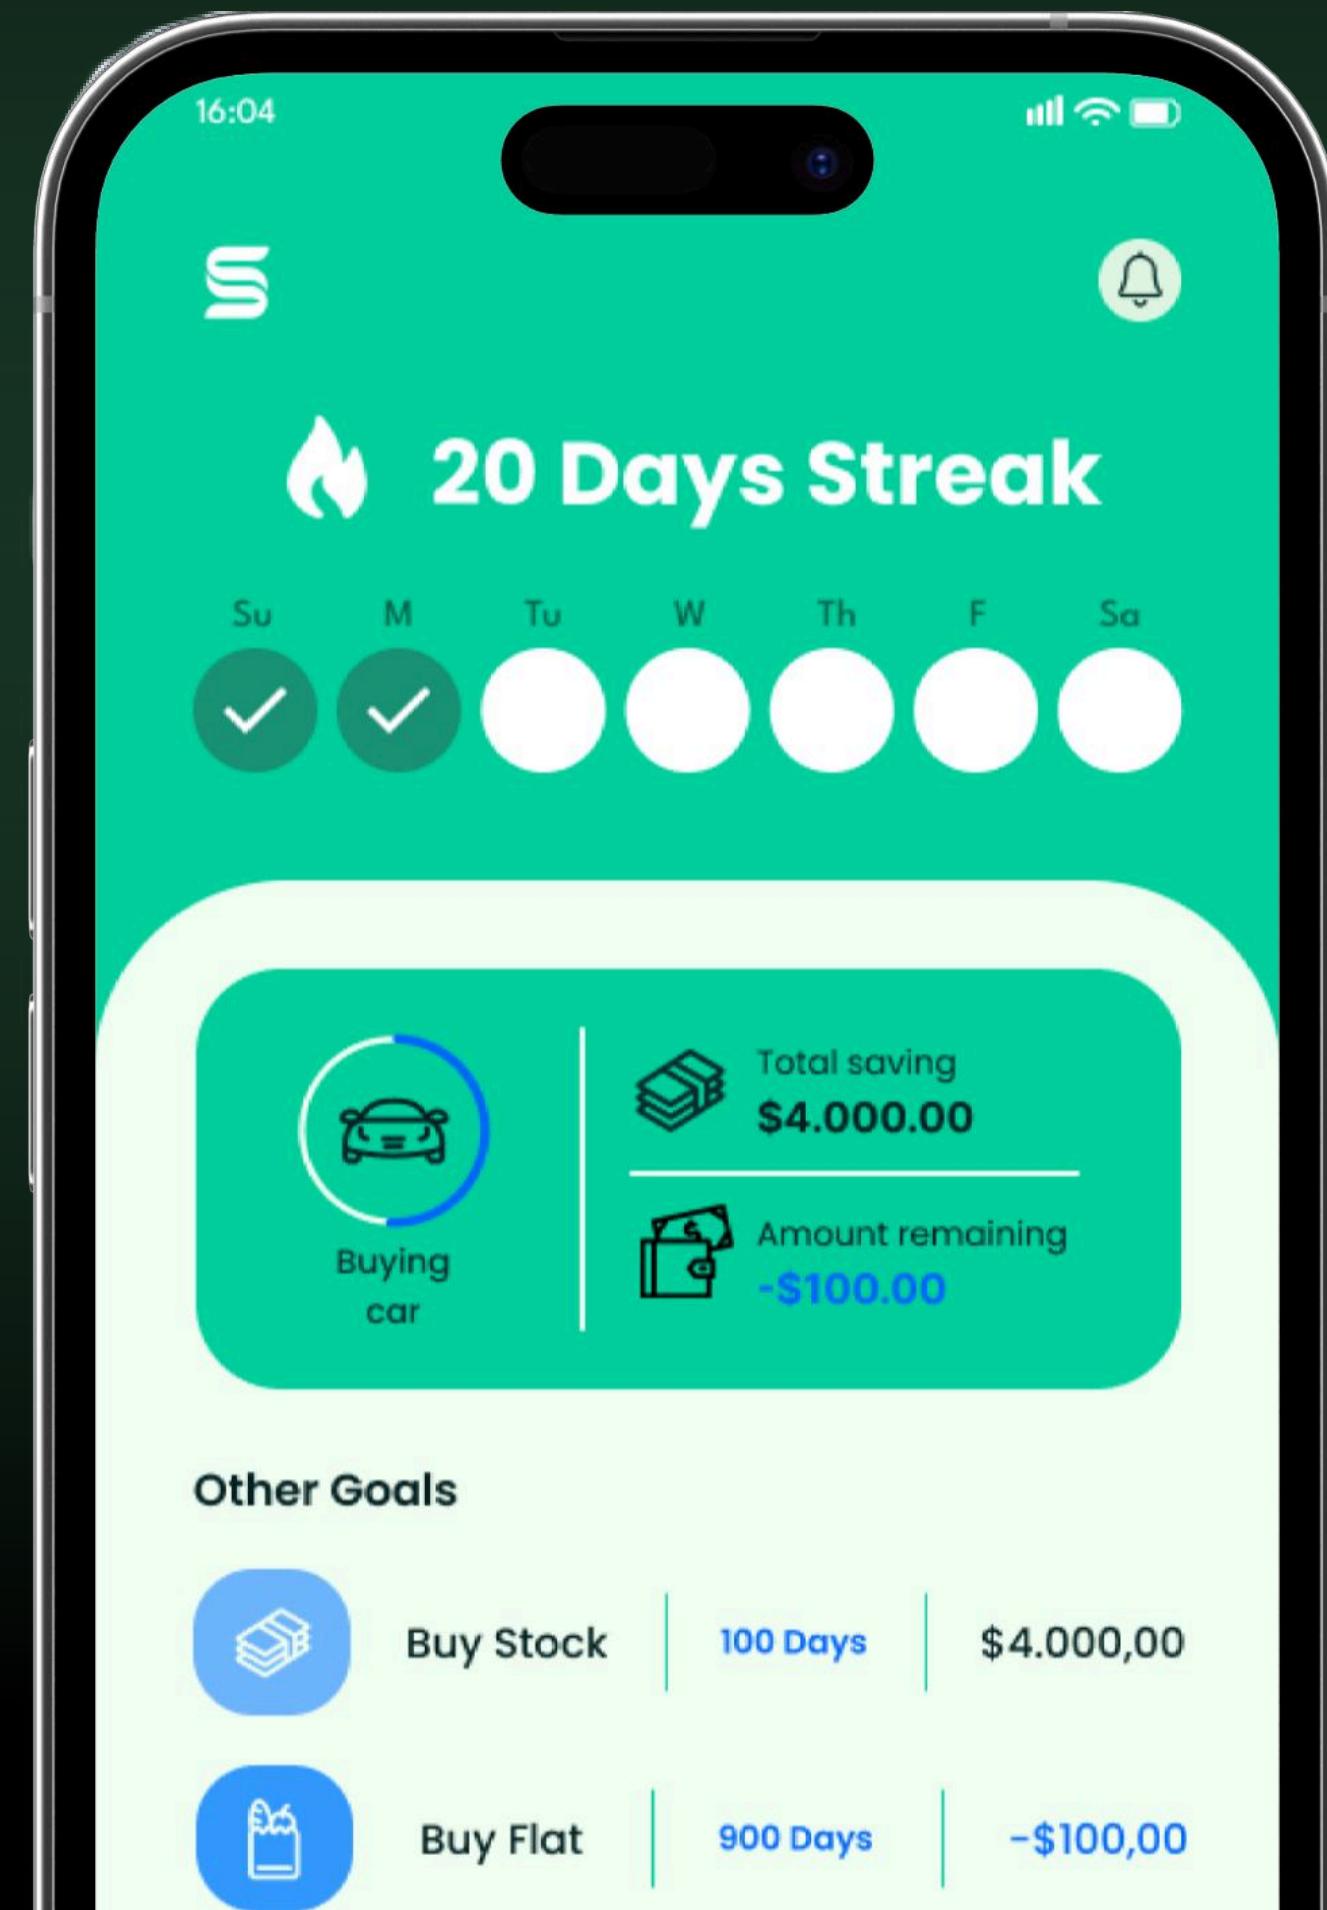

## Lack of DeFi knowledge

Wallets, gas fees, and protocols are hard to understand

# AI Powered Daily Staking

Automated AI  
agents for staking

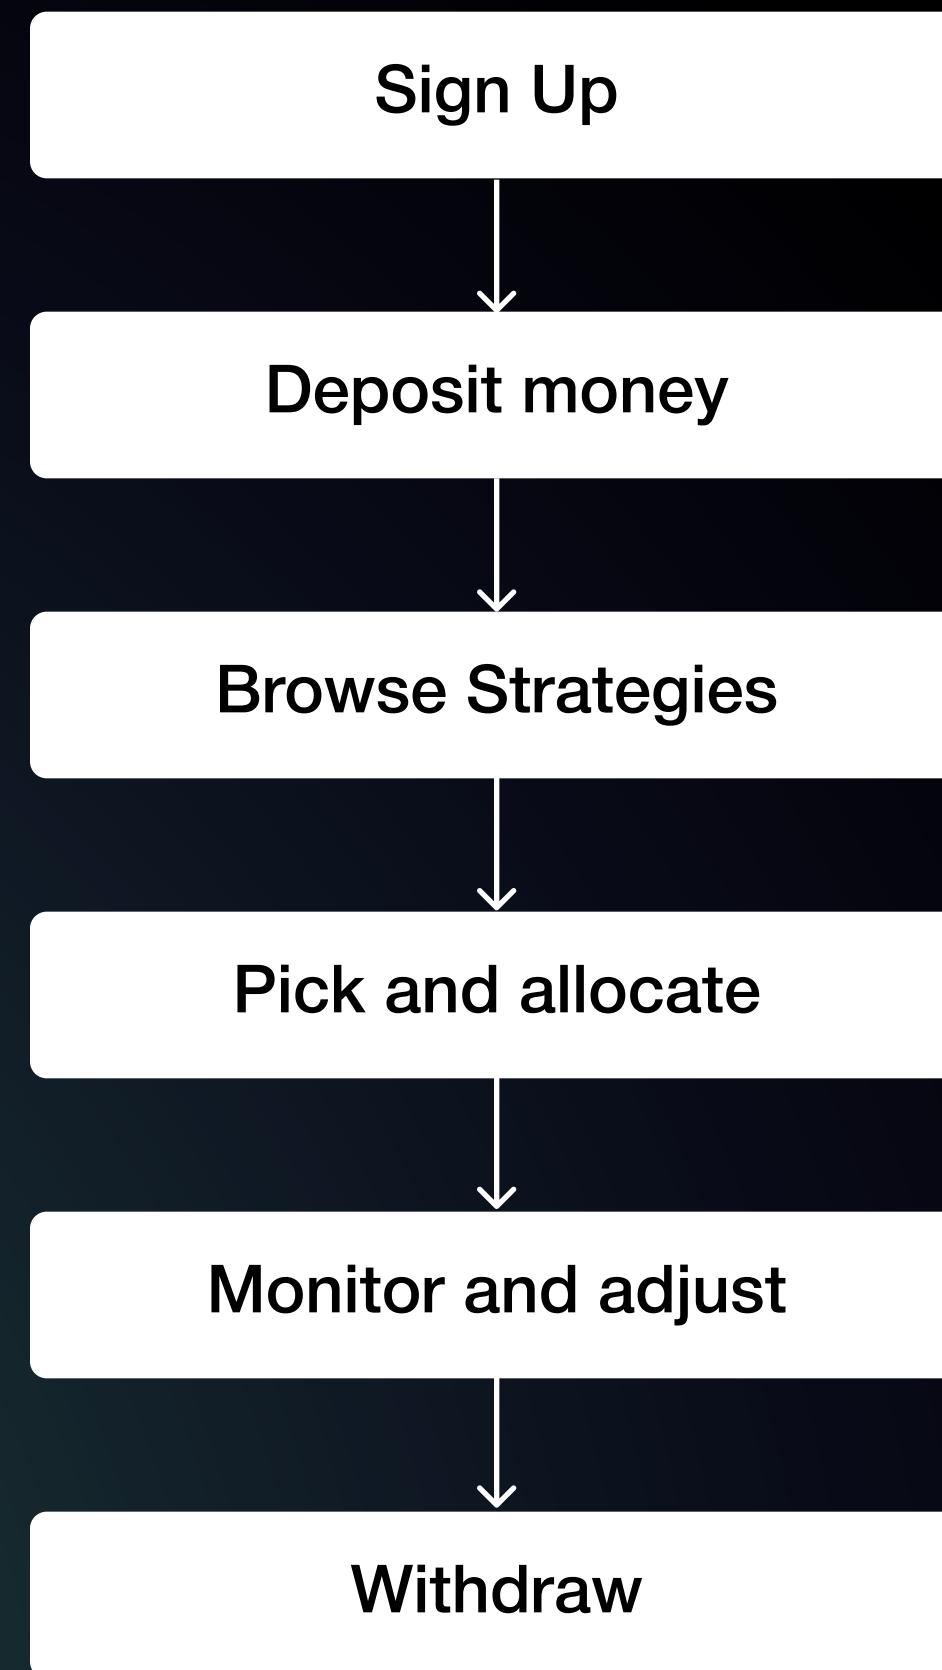

Daily earning &  
staking

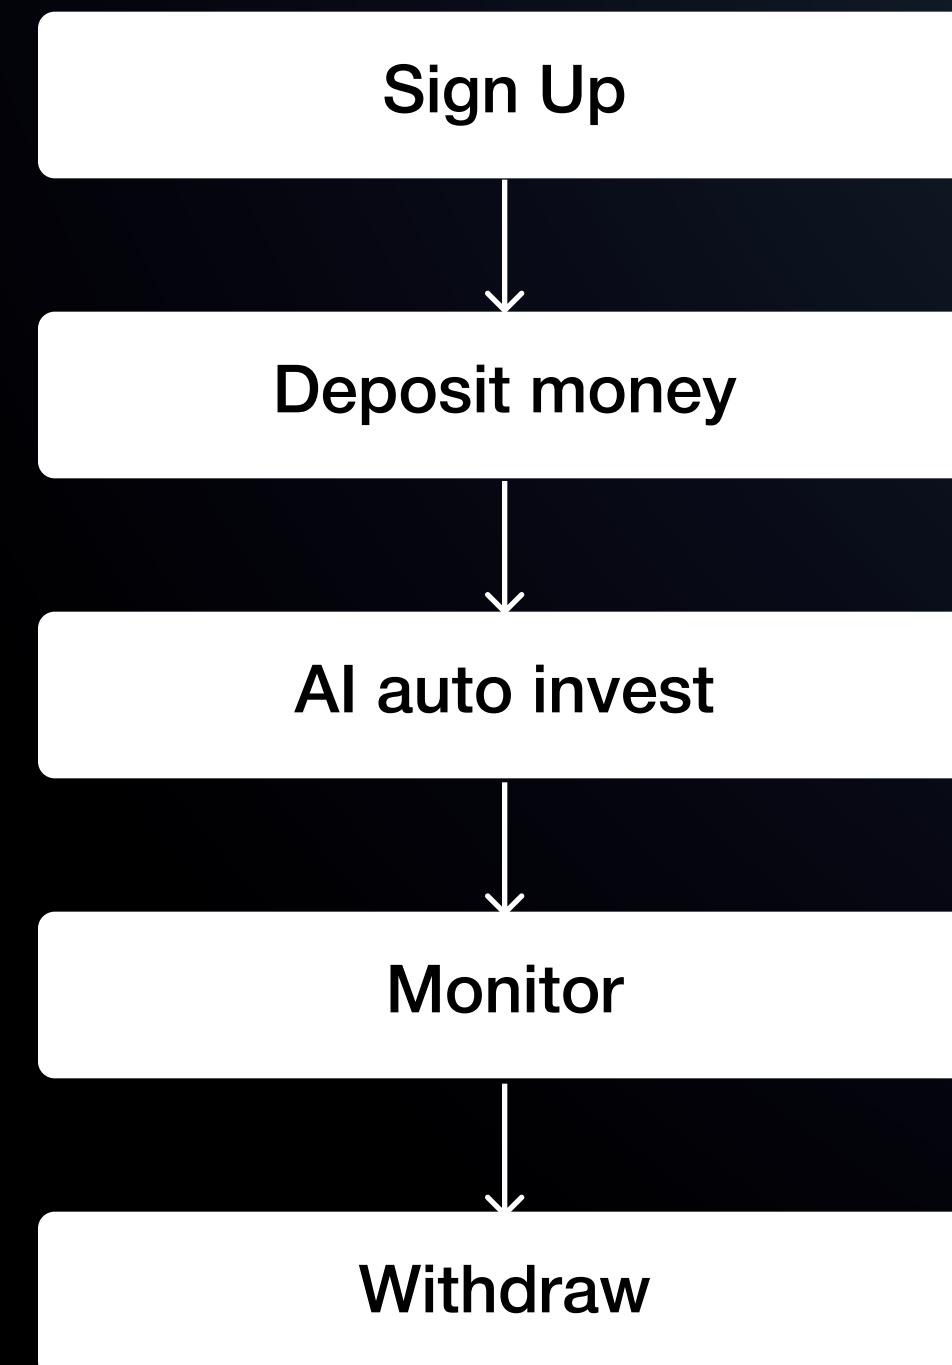

Custodial and  
seamless experience

Access to high yield  
DeFi

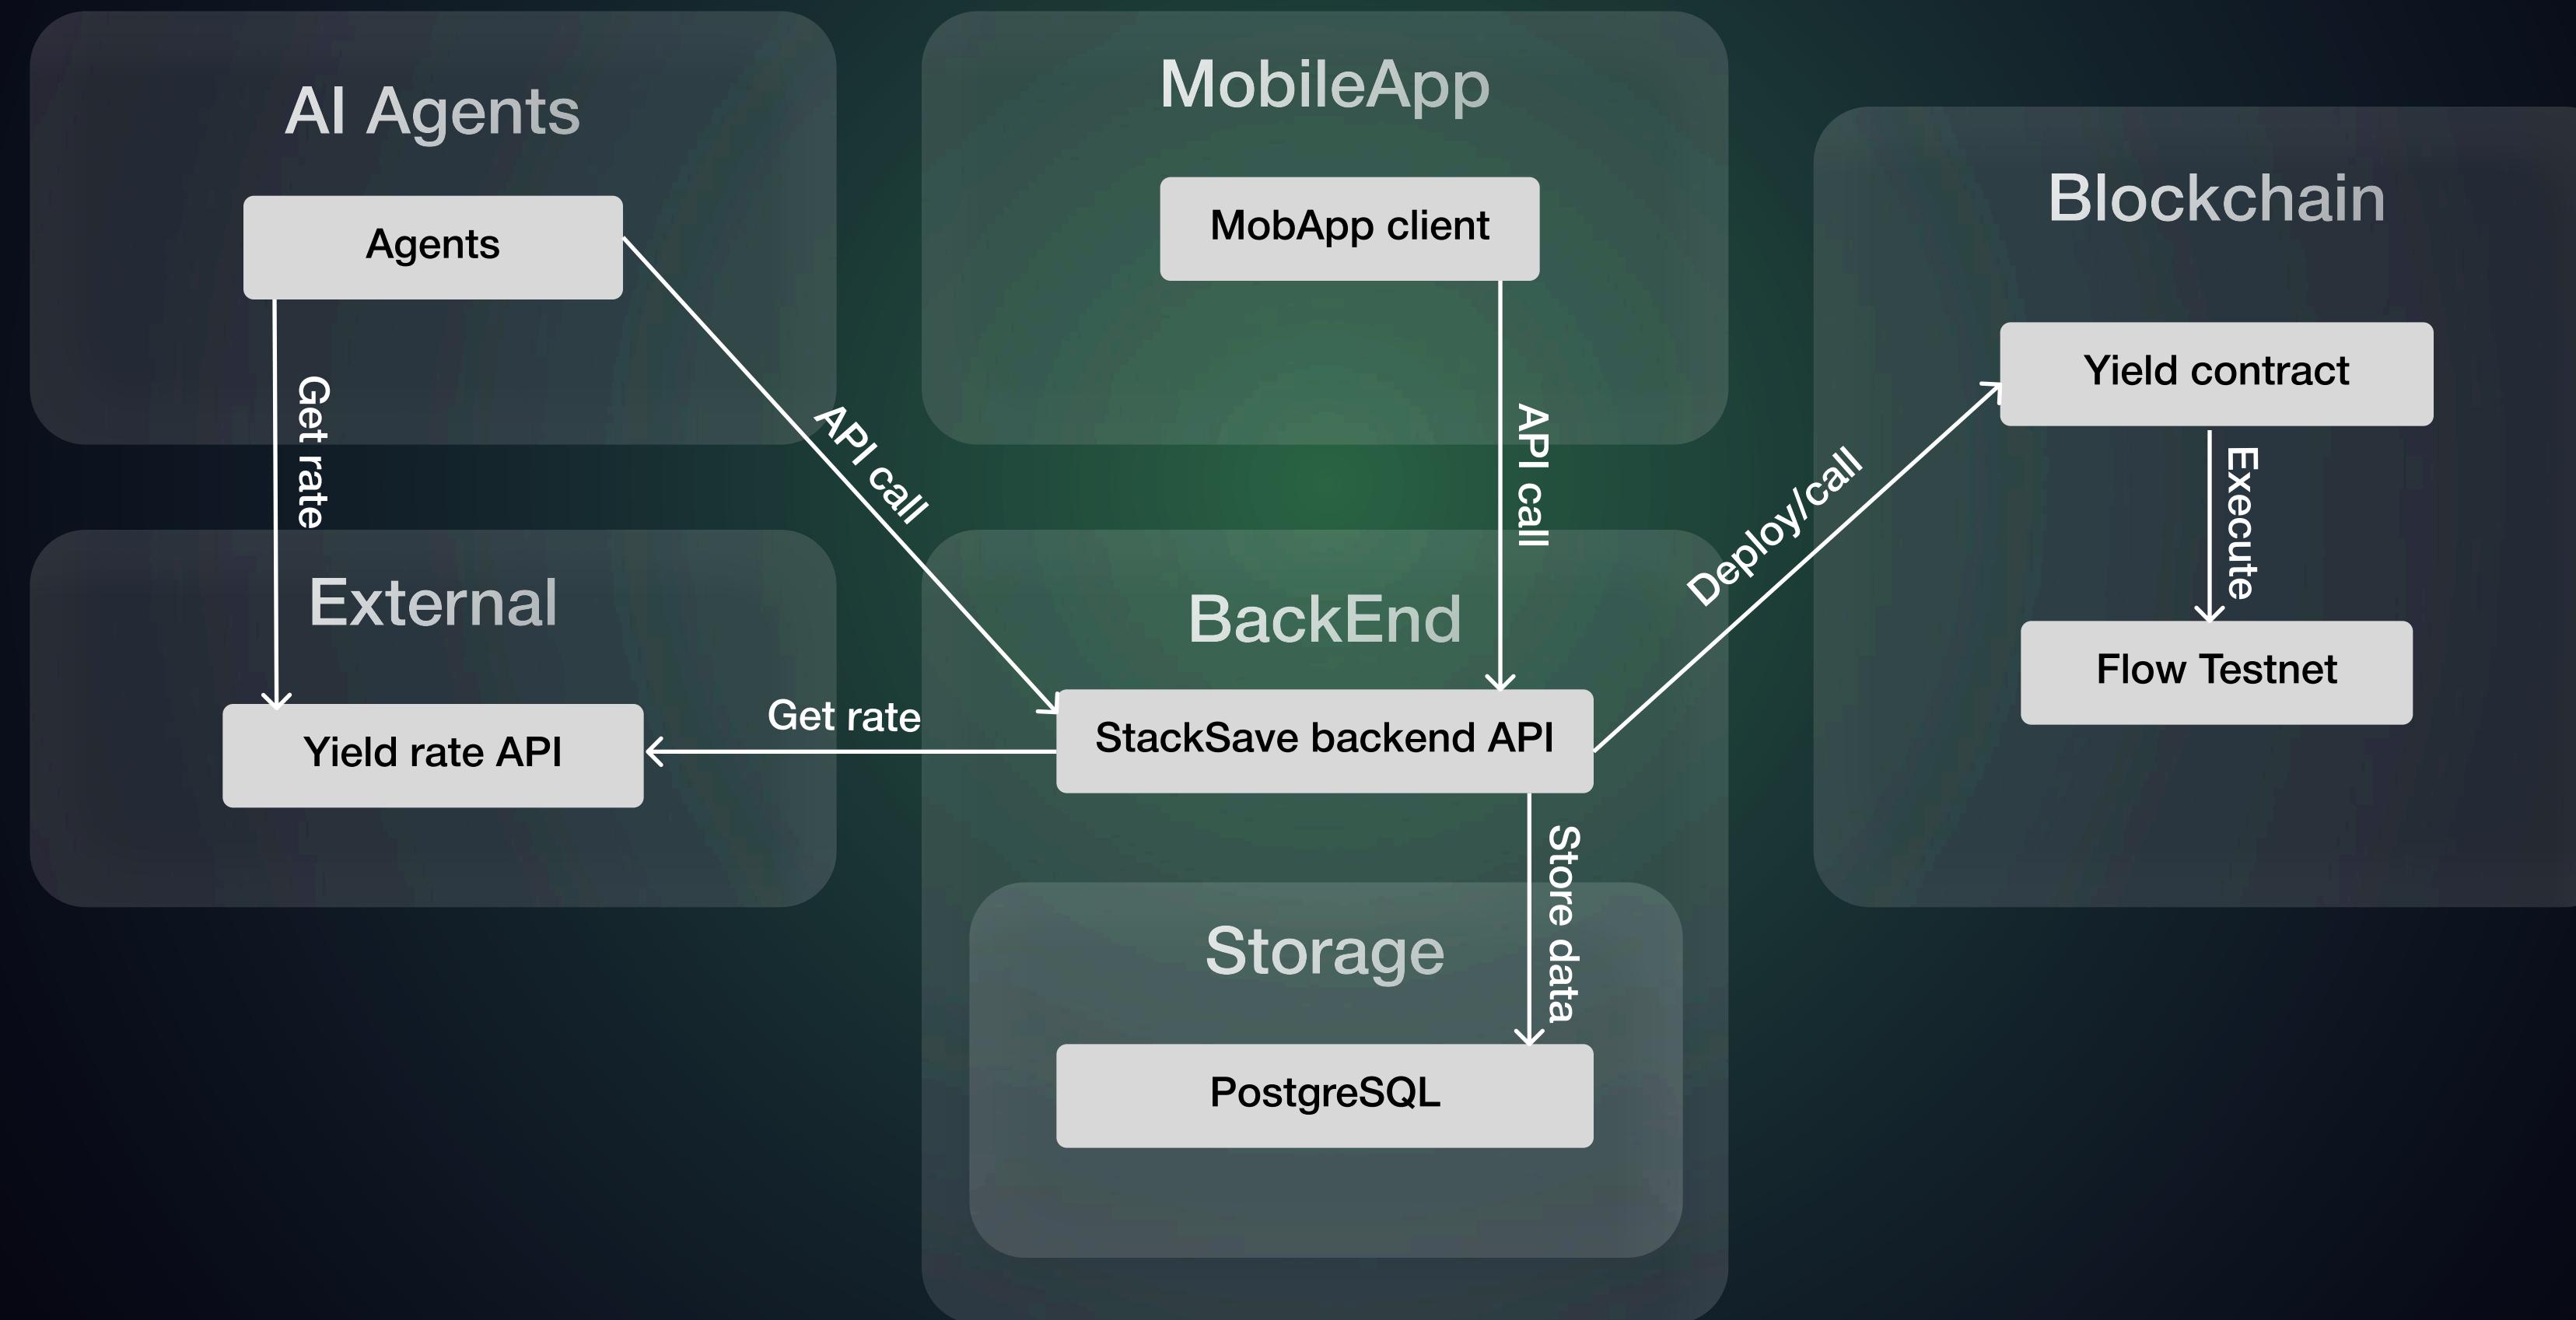

## Pro Mode

## Lite Mode

# System Diagram

# Market Opportunity

DeFi market CAGR: projected growth of **53.7%** from 2025-2030

Liquid staking market: Total assets staked is **\$73.9 Billion**

RWA tokenization: Projected to reach **\$4 Trillion** by 2035
